

ENID HIGH SCHOOL
Special Release for Transportation Form

Date: _____

Event: _____

Location: _____

Sponsor: _____

Enid Public Schools will provide transportation for students when they are competing and/or representing Enid Public Schools on road trips. Students are expected to ride to and from the activity on school transportation. The only exception to this will be with coach's/sponsor's permission and administrative approval. If approval is given, a student may ride only with the parent or guardian of record. Liability concerns remain the critical issue for this type of policy.

Any parent/guardian requesting permission to transport his or her child from an event or field trip in which they are directly participating must obtain this form from the sponsor.

To be filled out by the parent/guardian:

Student's Name: _____

Reason for Request: _____

PARENT OR GUARDIAN SIGNATURE

DATE
