## GENERAL INFORMATION

- A daytime baseball camp for boys ages 5-12.
- Imagine the opportunity for your boy to receive instructions in all phases of baseball.
- This Camp is of interest to any boy now playing baseball or any boy who has never had the opportunity to learn how to play baseball.
- This camp is small enough for each and every player to receive personal attention yet large enough to employ Big League Technique.
- The Camp will not interfere with boy's plans to play organized baseball this summer.

**CAMP PURPOSE:** To help young boys get a good fundamental foundation for the game. Three full hours of baseball each day for one week.

**DAILY SCHEDULE:** 9:00– 12:00 Mon– Wed.

**EQUIPMENT:** Boys must furnish their own playing equipment including glove and bat. Boys should wear long pants or baseball pants because they will have sliding training and be expected to slide during practice games. Boys may wear cleats if they wish, but any type of shoe is acceptable.

**EQUIPMENT FURNISHED:** The Camp will furnish a Camp T-shirt and cap, all catching gear (mask, leg guards, catchers glove and body protector), head protectors for all batters, and baseballs. Boys should leave their own baseballs at home.

## SOMETHING FOR EVERY Player

- I. For the boy that made the team, it teaches proper fundamentals and improves his play with added confidence.
- II. For the boy who made the team but is sitting on the bench, it helps him keep up with the team and in some cases, find a starting spot.
- III. The Camp is not competitive. Each boy gets the attention he needs and all boys get to play regardless of ability. The Camp helps a boy enjoy and appreciate the game of baseball.
